

International Grouper Workshop

7-8 October 2016, Bodrum, Turkey

Poster Presentations

07 October 2016

P_1	Cemal Turan* , Deniz Ergüden, Mevlüt Gürlek, Deniz Yağlıoğlu, Ali Uyan and Servet A. Dođdu Population Genetic Analysis of Grouper Species (<i>Ephinephelus spp.</i>) in Turkish Seas
P_2	Ece Evliyaoglu* , Hatice Asumanyılmaz, Ercüment Genç, M. Ayce Genc, Mevlüt Aktaş, Derya Güroy and Orhan Tufan Eroldođan Accelerating Masculinization of White Grouper (<i>Ephinephelus aeneus</i> , Geoffroy Saint Hilaire 1817) Individuals with Aromatase Inhibitor and 17-Methyltestosterone Hormones
P_3	Yasemin Bircan Yıldırım* Alternative Treatment Studies in Groupers Diseases
P_4	Orhan Tufan Eroldođan, Hatice Asuman Yılmaz, Ece Evliyaoglu, Ercument Genc* , Derya Guroy, Mevlut Aktas and M. Ayce Genc Broodstock Husbandry and Accelerating Sex Inversion of Captive White Grouper <i>Ephinephelus aeneus</i> (Geoffroy Saint-Hilaire, 1817) in Recirculating Aquaculture System: Preliminary Results
P_5	Cemal Turan* , Deniz Ergüden, Mevlüt Gürlek, Ali Uyan and Servet A. Dođdu Barcoding and Genetic Diversity Pattern of Groupers (<i>Ephinephelus Spp.</i>) from Turkish Marine Waters
P_6	Umut Uyan, Rifat Tezel* , Murat Çelik and Kenan Güllü Determination of Some Morphometric Characteristics of <i>Serranus cabrilla</i> (Linnaeus, 1758) Lives in the Aegean Sea
P_7	Gökçen Bilge* and Halit Filiz On the Use of Sagittal Otoliths of <i>Serranus Scriba</i> (Linnaeus, 1758) from the Southern Aegean Sea in Prey-Predator Studies
P_8	Funda Turan* and Cemal Turan The Meat Yield and Proximate Composition of Dogtooth Grouper, <i>Ephinephelus caninus</i> (Valenciennes, 1843) From Iskenderun Bay, Northerneast Mediterranean Sea, Turkey
P_9	Gökçen Bilge* , Sercan Yapıcı and Halit Filiz Relationships Between Fish and Otolith Size for <i>Serranus hepatus</i> (Linnaeus, 1758) from the Southern Aegean Sea
P_10	Mevlüt Gürlek* , Deniz Ergüden, Deniz Yağlıoğlu, Ali Uyan, Servet A. Dođdu and Cemal Turan Genetic Characterisation of Populations of White Grouper <i>Ephinephelus aeneus</i> from the Aegean and Mediterranean Coasts of Turkey Through Analyses of mtDNA
P_11	Esra Mine Ünal, Sevgi Kaynar, Tuğçe Aygen and Emre Keskin*

	Molecular Diet Analysis of <i>Mycteroperca rubra</i>
P_12	Murat Çelik* , Hasan H. Atar, Celal Ateş, Umut Uyan and Sercan Yapıcı Catch Rates Some Species of the Family Serranidae in Angling in Gökova Bay, Southwest of Turkey
P_13	Funda Turan* , Servet A. Doğdu and Cemal Turan The Age Dependent Meat Yield Variations in Haifa Grouper, <i>Hyporthodus haifensis</i> (Ben-Tuvia, 1953) from Iskenderun Bay, Northerneast Mediterranean Sea, Turkey
P_14	Umut Uyan* , Murat ÇELİK, Rifat TEZEL and Celal ATEŞ Otolith Biometry and Fish Length Relation of <i>Serranus cabrilla</i> (Linnaeus, 1758) Caught from Ildır Bay
P_15	Nazlı Kasapoğlu* Status and Change of Serranidae Species in the Black Sea
P_16	Bahar Bayhan* and Hülya Sayğı Modeling of The Fisheries Production Levels for Epinephelus Genus Distributed in the Seas of Turkey
P_17	M. Hakan Kaykaç, Celalettin Aydın* and Zafer Tosunoğlu Characteristics of Fishing Gear Used to Catch Groupers in the Southern Aegean Sea
P_18	Elanur Yılmaz and Mehmet Baki Yokeş* Genetical Analysis of The <i>Epinephelus aeneus</i> Population from The Turkish Mediterranean Coastline
P_19	Deniz Ergüden* , Mevlüt Gürlek, Ali Uyan, A. Servet Doğdu and Cemal Turan Population Genetic Analysis of The Dusky Grouper <i>Ephinephelus marginatus</i> Using Sequence Analysis of mtDNA D-Loop and Cyt B Regions
P_20	Funda Turan* and Cemal Turan The Age Dependent Meat Yield Variations in Mottled Grouper, <i>Mycteroperca rubra</i> (Bloch, 1793) from Iskenderun Bay, Northerneast Mediterranean Sea, Turkey
P_21	Halit Filiz* and Nail Sevingel Presence of the Four Groupers (<i>Epinephelus Aeneus</i> , <i>Epinephelus Costae</i> , <i>Epinephelus Marginatus</i> , and <i>Mycteroperca Rubra</i>) in The No-Fishing Zones of the Southern Part of Datca-Bozburun Special Environmental Protection Area, Turkey
P_22	Celal Ateş* , Murat Çelik, Sercan Yapıcı, Umut Uyan and Hasan H. Atar An Investigation on the Pointed Comber (<i>Serranus Scriba</i> Linnaeus, 1758) Straight and Kirbed Hooks with in Gökova Bay, Turkey
